The Honorable William J. Casey
 Director of Central Intelligence
 Central Intelligence Agency
 Washington, D.C. 20505

Dear Director Casey:

The Subcommittee on Legislation of the Permanent Select Committee on Intelligence will soon be considering H.R. 5805, legislation to provide benefits for former spouses of certain CIA personnel. The legislation would extend federal health benefit plan eligibility to these former spouses and would provide annuities in certain circumstances to former CIA spouses who did not benefit from enactment of the Central Intelligence Agency Spouses' Retirement Equity Act of 1982 (P.L. 97-269, Title VI).

To assist the Subcommittee in its consideration of this legislation, we would appreciate receiving your written views on H.R. 5805 by July 20, 1984. I have also requested the views of the Director of the Office of Personnel Management on the bill.

We look forward to working with the Central Intelligence Agency on this legislation.

Sincerely,

Romano L. Mazzoli
